**BARRYMORE
READS MORE**

Drew Barrymore literally spent half an hour reading from her new book at a Prevention of Cruelty to Children luncheon at the Pierre Hotel, but didn't dish any gossip about her topical divorce from **Will Kopelman** or explain

SPLASH NEWS

the band she was wearing on her ring finger. There was a moment of levity when a cell phone went off in the audience. "I'm shocked it's not mine, but if it was, it would be the 'Knight Rider,' theme and then you would know it was me," the actress (above) joked.
